SUMMARY

Results-driven Front-End Developer with 3+ years of experience building scalable, high-performance web applications using React.js, Next.js, JavaScript, and TypeScript. Experienced in developing SaaS platforms, dashboards, AI-integrated applications, e-commerce systems, and responsive web solutions. Strong expertise in state management, API integration, component-based architecture, performance optimization, responsive UI development, and cross-functional collaboration. Proven ability to lead frontend development teams and deliver enterprise-level solutions in remote and international environments.

PROFESSIONAL EXPERIENCE

Mid-Level Front-End Developer (React.js / Next.js) 10/2025 – Present

CMT, Cairo, Egypt (Remote)

- Led frontend development for a Project Management SaaS Platform with multi-tenant architecture, enabling management of entities, projects, dashboards, and analytics.
- Developed advanced modules including Gantt charts, task management, governance systems, risk management, meeting tracking, field visits, and reporting dashboards.
- Implemented advanced filtering systems, user roles, permission management, session controls, and audit logs to enhance security and platform usability.
- Built interactive dashboards and data visualization features to track project progress, risks, KPIs, and outputs.
- Supervised frontend development processes and coordinated feature implementation across multiple system modules.
- Successfully completed contract deliverables within project timeline.

Front-End Developer (React.js / Next.js / React Native) 10/2024 – 10/2025

Blue202, Egypt Branch (US Company)

Key Projects:

SIAA Platform

- Developed scalable frontend features and implemented complex business functionalities using React.js and Next.js.
- Collaborated with backend engineers to integrate AI APIs (ChatGPT) into the platform.
- Refactored major sections of the platform, improving performance, maintainability, and scalability.
- Contributed to dashboard development and frontend optimization.

Seller-AMP Platform

- Built advanced frontend functionalities for an Amazon product monitoring system.
- Integrated Keepa API to retrieve Amazon product insights, pricing history, and market analytics.
- Improved data handling and UI responsiveness for enhanced user experience.

Front-End Developer (React.js / Next.js)

09/2023 – 08/2024

PROGO, Cairo, Egypt (Remote)

- Developed and maintained responsive websites and web applications using React.js and Next.js.
- Collaborated directly with international clients to deliver high-quality digital solutions.
- Integrated frontend interfaces with backend systems to ensure seamless functionality.
- Worked closely with UI/UX designers and backend developers to enhance user experience and project outcomes.

Front-End Developer Intern

07/2023 – 09/2023

Clouds Zone, Saudi Arabia (Remote)

- Participated in a practical internship focused on real-world client projects for the Saudi market.
- Developed websites and admin dashboards in collaboration with backend developers.
- Enhanced frontend performance, responsiveness, and backend integration quality.

EDUCATION

Bachelor of Business Information Systems (BIS), GPA: 3.4 / 4.0

2020 – 2024

Georgia State University at Cairo University

TECHNICAL SKILLS

Programming Languages

- HTML5, CSS3, JavaScript (ES6+), TypeScript

Frameworks & Libraries

- React.js, Next.js, React Native
- Redux Toolkit, Context API
- Bootstrap, Tailwind CSS, SASS/SCSS
- Framer Motion, Three.js

Frontend Development

- Responsive Web Design (RWD)
- Cross-Browser Compatibility
- Single Page Applications (SPA)
- Server-Side Rendering (SSR)
- Component-Based Architecture
- UI/UX Implementation
- API Integration (REST APIs)

Development Tools

- Git, GitHub, VS Code
- Debugging & Performance Optimization
- Agile Methodology
- Version Control

Additional Skills

- Dashboard Development
- SaaS Platforms Development
- AI API Integration (ChatGPT APIs)
- E-commerce Platforms
- Data Visualization & Interactive Charts
- Frontend Architecture
- Team Leadership

LANGUAGES

- Arabic: Native
- English: Very Good
